

Call for Papers (for Oral or Poster Presentation)

Scope of free papers:

Translational research with laboratory animals, preclinical studies, animal models for human diseases, laboratory animal medicine, and laboratory animal welfare.

Abstract format:

MS Word, 1 page, max. 300 words.

Submit your abstract to: labanimal.indo@gmail.com

Deadline for submission: 25 May 2018

Seminar Registration Fee*:

Rp. 1.250.000 (early bird rate: before 25 May 2018)

Rp. 1.500.000 (regular rate: until 13 July 2018)

**Discount applicable for ADHPHLI/P3HLI members and students.*

Note for veterinarian participants: Certificate of participation will include SKPB from PB-PDHI.

3

National Meeting of the Indonesian Laboratory Animal Veterinarians Association (ILAVA)

Tuesday, 24 July 2018 (16.30 WIB onwards)

Participants

Limited to ILAVA or *Asosiasi Dokter Hewan Praktisi Hewan Laboratorium Indonesia (ADHPHLI)* members

Registration Fee: included with registration to attend Seminar
RSVP to Drh. Lia Siti Halimah,MSi (+62-821-8218-0011)

4

National Meeting of the Indonesian Association of Laboratory Animal Science (IALAS)

Wednesday, 25 July 2018 (16.30 WIB onwards)

Participants

Limited to IALAS (*Perhimpunan Peneliti dan Pengguna Hewan Laboratorium Indonesia; P3HLI*) members

Registration Fee: included with registration to attend Seminar
RSVP to Drh. Imelda Winoto, Sert. DPHPL (+62-811-100-2455)

THE 1ST ILAVA - IALAS - PRC-IPB JOINT INTERNATIONAL SEMINAR

LABORATORY ANIMAL SCIENCE IN INDONESIA: PERSPECTIVE AND FUTURE CHALLENGES

IPB International Convention Center
Bogor, 23-25 July 2018

Participants

We welcome all individuals whose work and interest is relevant to the care and use of laboratory animals for research, testing, breeding and education. The event will be suitable for researchers, lecturers, students, veterinarians, medical professionals, technicians, ethics committee members and other professionals from various academic institutions, government agencies, research organizations, and pharmaceutical industry.

Objective

This event will be a unique opportunity for laboratory animal science community, particularly in Indonesia, to share knowledge and discuss the strength, potential, regulation and challenges of laboratory animal research, relevant to the situation in Indonesia.

Time and Venue

IPB International Convention Center, Bogor, Indonesia
23-25 July 2018

Summary of Events

1 Pre-Seminar Workshops

Monday, 23 July 2018

Workshop on Laboratory Animal Facility (limited to 30 participants)

Speaker: **Mr. Dennis Tan**
[ITS Group, Singapore]

Time: 08.00 WIB - 12.00 WIB

Registration Fee: Rp. 650,000,-

Workshop on Bioethics of Animal Research (limited to 30 participants)

Speaker: **Vijay Pal Singh, DVM, PhD**
[CSIR Institute of Genomics and Integrative Biology, India]

Time: 13.00 WIB - 17.00 WIB

Registration Fee: Rp. 500,000,-

For registration, please contact us at:

Email: labanimal.indo@gmail.com

Whatsapp: +62-812-933-9729 (Drh. Permanawati, Sert. DHPHL)

2 International Seminar

Tuesday and Wednesday, 24-25 July 2018

Time: 08.30 WIB - 16.00 WIB

Invited Speakers:

- **Vijay Pal Singh, DVM, PhD**
[CSIR Institute of Genomics and Integrative Biology, India]
"Ethics of Animal Use in Research"
- **Susan R. Vogel, DVM, MSc, DACVS-LA**
[Charles River Laboratories, Montreal, Canada]
"Experimental Surgery in Biomedical Research"
- **Montip Gettayacamin, DVM, DACLAM**
[AAALAC International]
"International Accreditation of Animal Care and Use Program: AAALAC International Update"
- **Kimberly A. Phillips, PhD**
[American Society for Primatologists; University of Trinity, Texas, USA]
"Nonhuman Primates for Neurodegenerative Diseases Research"
- **Yasmina A. Paramastri, Drh, DACLAM**
[National University of Singapore, Singapore]
"Zebrafish for Advancement of Biomedical Research"
- **Raymond R. Tjandrawinata, dr, MBA, PhD, FRSC**
[PT. Dexa Medica, Indonesia]
"Laboratory Animals in Pharmaceutical Industry"
- **Maharani, Drh, MSi, Dr**
[PT. Bio Farma (Persero), Indonesia]
"Transgenic Animals for Vaccine Research in Indonesia: Challenge and Strength"
- **Dondin Sajuthi, Drh, MST, PhD**
[ILAVA]
"Laboratory Animal Medicine in Research and Education"
- **Joko Pamungkas, Drh, MSc, Dr**
[IALAS]
"Laboratory Animal Science in Indonesia"
- **Huda S. Darusman, Drh, MSi, PhD**
[Primate Research Center – IPB, Indonesia]
"Nonhuman Primates in Academic Research: Biology, Conservation and Biomedical Studies at PRC-IPB"
